RESPONSE TO NOTICE TO FILE MISSING PARTS OF NON-PROVISIONAL
APPLICATION AND NOTIFICATION OF ERROR IN FILING RECEIPT

Office of Initial Patent Examinations
Customer Service Center
United States Patent and Trademark Office
Washington, D.C. 20231

On December 17, 2001, the applicant filed a patent application in the above-captioned matter which application included an executed Declaration. A copy of that executed Declaration is included herewith. The applicant also submitted a postcard receipt, which postcard receipt was processed at the Patent Office and returned to the applicant to acknowledge receipt of the offered documents, including the three-page executed Declaration. A copy of the postcard receipt is included herewith.

The applicant has received a Notice to File Missing Parts (a copy of which is provided herewith) along with a filing receipt identifying only Ye as an applicant and indicating that no residence for this applicant was provided (a copy of the filing receipt is enclosed herewith).

As indicated above, however, the applicant did include a signed Declaration with the original filing, and, as can be seen, the Declaration includes the full address for the inventors. The applicant therefore respectfully submits that no missing parts exist and hence there are no missing parts to offer. In addition, the filing receipt is in error to this extent, and the applicant respectfully requests a new filing receipt that includes the correct information.

There are no fees due for submission of this Response.

Respectfully submitted,

Steven G. Parmelee
